Subject: Request for Concurrence on ESA FR Notice AND NHPA

David,

Dave Ross made a few tiny edits to the attached FR notice, which you had reviewed, regarding **Ex. 5 Deliberative Process (DP)** which we have cleaned up and incorporated into the attached clean document. OW is asking now for OGC's concurrence on this notice.

Dave had also asked:

- (1) Whether FDEP was comfortable with us citing the FR notice. Follow up: John Truitt just told R4 that it's ok.
- (2)

Ex. 5 Deliberative Process (DP)

Could you please provide authorization for us to concur on this FR notice; and would you also like us to pass along Tod's analysis, below? Let us know if you'd like to discuss Tod's input or anything else. (And Tod, you could of course tweak if you think necessary.)
